Leave a message of thanks

Donate to Winchester Hospice through dedicating a petal on our allium wall to someone you want to recognise.

More than a donation

The allium wall at Winchester Hospice is a beautiful sculpture set just inside our entrance. We're creating an artwork of lasting memories and special messages, which you can be part of through creating a personalised allium wall petal.

Petals can be dedicated as an expression of thanks, in memory of a loved one, to show support for the hospice or simply as a gift in your own name or with a personal message.

Choosing to donate through an allium wall petal means your message will remain on our allium wall for 12 months, after which you can decide to make a further payments for it to remain on the wall for another year. If you decide not to make a further payment, your petal will be returned to you in the post for you to keep.

When we receive your order, made through the adjoining form, we will acknowledge by letter and confirm your message with you. Once your petal is in place, we will send you a photo via email of your petal on our allium wall.

**£120 per petal,
per year**
